from online marketing to old fashioned word of mouth readers will find a comprehensive
update on key marketing basics as well as such topics as guerilla marketing marketing
to boomers and latinos online marketing targeted but affordable direct mail sample
marketing plans for several types of small businesses as well as a couple of larger
projects practical do it yourself distribution strategies analysis of business segments and
trends and much more

the complete idiot s guide to social media marketing second edition covers cutting edge
techniques for small and large businesses alike ask the author q how has social media
marketing changed business and personal lives a the playing field has been leveled for
business no longer do you need a 6 or 7 figure budget to reach people around the
country or globe for that matter personally many lives have been affected many people
more connected businesses have grown because of the connections tv and singing
careers have been launched money has been raised for charity books have been
marketed and purchased and so on q what has been the most challenging part of
utilizing social media a i think the learning curve with all of these sites they come with no
directions and no live phone number q what has worked the best and worst thus far a
facebook because of it s broad reach really has worked for me but many would argue
that youtube works the best particularly since it is the search engine of choice with the
11 34 age group q how can a person searching for a job use social media marketing a
so many ways they need to be on linkedin with a professional looking profile photo and
contact information they could also utilize video to begin sharing their expertise
candidates need to stand out in a crowd of millions so if they say sent in a video

introducing themselves and a video follow up email that would wow them q what is the newest thing since twitter a i believe companies and individuals are starting to utilize audio for creating their own itunes channel and also location based social media like foursquare i personally am not sold on location based services as of yet from a safety point of view but for retailers it can be a good thing i believe video is going to explode in popularity in 2011 for the 35 market as well they just need to get comfortable being on camera

the 42 rules of marketing 2nd edition is a compilation of ideas theories and practical approaches to marketing challenges the author has been collecting over the past 20 years the idea behind this unique look at marketing was to create a series of helpful reminders things that marketers know they should do but don t always have the time or patience to do the book touches on everything from tradeshow and pr to customer advocacy market research and the role of humor in marketing the author shares tips and tricks to ensure your marketing messages reach the intended audience after all isn t that the point
