*the routledge handbook of the philosophy of friendship is a superb compilation of chapters that explore the history major topics and controversies in philosophical work on friendship it gives both the advanced scholar and the novice in the field an overview and also an in depth exploration of the connections between friendship and the history of philosophy morality practical rationality value theory and interpersonal relationships more generally the handbook consists of 31 newly commissioned chapters by an international slate of contributors and is divided into six sections i historical perspectives ii who can be our friends iii friendship and other relationships iv the value and rationality of friendship v friendship morality and virtue vi new issues in philosophy of friendship this volume is essential reading not only for anyone interested in the philosophical questions involving friendship but also for anyone interested in related topics such as love sex moral duties the good life the nature of rationality interpersonal and interspecies relationships and the nature of the person*

*in this new accessible philosophy of friendship mark vernon links the resources of the philosophical tradition with numerous illustrations from modern culture to ask what friendship is how it relates to sex work politics and spirituality unusually he argues that plato and nietzsche as much as aristotle and aelred should be put centre stage their penetrating and occasionally tough insights are invaluable if friendship is to be a full not merely sentimental way of life for today*

friendship has been a central topic for philosophical reflection ever since philosophy itself was born in the circle of friends who gathered around socrates to follow his probing examinations of how we should live in this outstanding collection which takes its lead from the work of alexander nehamas a distinguished roster of contributors examines the many dimensions of the philosophy of friendship they broaden the discussion beyond common questions about friendship obligations and their relation to the claims of morality to explore a much wider set of issues including friendship in the context of plato aristotle montaigne kant goethe william james and nietzsche the darker side of friendship and frenemies friendship in literature and film including andré aciman's call me by your name and andrey zvyagintsev's the return dogs and friendship friendship and aesthetic judgment nehamas's own distinctive analogy between the value of friendship and the value of beauty friendship philosophical explorations will be of interest to those in philosophy studying and researching ethics and aesthetics as well as students and scholars in related disciplines such as literature and film

mark vernon offers penetrating insights on the idea of friendship using philosophy and modern culture to ask about friendship and sex work politics and spirituality he also explores how notions of friendship may or may not be changing because of the internet and looks at the psychology of friendship

this volume consists of fourteen essays in honor of daniel devereux on the themes of love friendship and wisdom in plato aristotle and the epicureans philia friendship and eros love are topics of major philosophical interest in ancient greek philosophy they are also topics of growing interest and importance in contemporary philosophy much of which is inspired by ancient discussions philosophy is itself of course a special sort of love viz the love of wisdom loving in the right way is very closely connected to doing philosophy cultivating wisdom and living well the first nine essays run the gamut of plato's philosophical career they include discussions of the alcibiades euthydemus gorgias phaedrus symposium nicomachean ethics politics protrepticus magna moralia

a book of dialogues on the subject of friendship in an inspiring effort to understand the nature and function of friendship

hugh j silverman was an inspiring scholar and teacher known for his work engaging and shaping phenomenology hermeneutics psychoanalysis structuralism poststructuralism and deconstruction as professor of philosophy and comparative literary and cultural studies at stony brook university state university of new york silverman's work was marked by the between a concept he developed to think the postmodern in the space between philosophy and non philosophy in this volume leading scholars explore and extend silverman's philosophical contributions from reflections on the notions of care time and responsibility to presentations of the practices and possibilities of deconstruction itself they provide an assessment of silverman's life and work at the intersection of philosophy ethics and politics

an eminent philosopher reflects on the nature of friendship past and present friends are a constant feature of our lives yet friendship itself is difficult to define even michel de montaigne author of the seminal essay of friendship found it nearly impossible to account for the great friendship of his life why is something so commonplace and universal so hard to grasp what is it about the nature of friendship that proves so elusive in on friendship the acclaimed philosopher alexander nehamas launches an original and far ranging investigation of friendship exploring the long history of philosophical thinking on the subject from aristotle to emerson and beyond and drawing on examples from literature art drama and his own life nehamas shows that for centuries friendship was as much a public relationship as it was a private one inseparable from politics and commerce favors and perks now that it is more firmly in the private realm nehamas holds close friendship is central to the good life profound and affecting on friendship sheds light on why we love our friends and how they determine who we are and who we might become

this book explores for the first time an idea common to both plato and aristotle although people are separate their lives need not be one person's life may overflow into another's so that helping

someone else is a way of serving oneself price considers how this idea unites the philosophers treatments of love and friendship which are otherwise very different and demonstrates that this view of love and friendship applied not only to personal relationships but also to the household and even the city state promises to resolve the old dichotomy between egoism and altruism

this is a book of dialogues on the subject of friendship a noted irish philosopher stephen j costello ph d interrogates the great philosophers from plato and aristotle through st augustine and montaigne to c s lewis sartre and derrida in an effort to understand the nature and function of friendship he lets them speak in their own words dr costello asks some of the following questions what do we love when we love our friends is like drawn to like what is the relationship between friendship and happiness is a friend another self is it possible to love a friend too much what happens when a friend dies is all friendship self serving would you lie for a friend die for a friend after the fourteen dialogical explorations on the philosophy of friendship that comprise this book the author offers his own philosophico christian vision of friendship in the conclusion it is an inspiring book one that is full of fascinating insights on this intriguing subject that is surely of relevance to everyone whose lives are made full by their loving friendships with their perils and pains as well as their joys and jubulations for life without friendship is a kind of error

it s hard to imagine a good life without friends but why is friendship so valuable what is friendship at all what unites friends and distinguishes them from others is the preference given to friends rationally and morally justifiable this collection examines answers given by classic philosophers and offers new answers by contemporary thinkers

western philosophy has long excluded the work of women thinkers from their canon presenting women philosophers addresses this exclusion by examining the breadth of women s contributions to western thought over some 900 years editors cecile t tougas and sara ebenreck have gathered essays and other writings that reflect women s deep engagement with the meaning of individual experience as well as the continuity of their philosophical concerns and practices arranged thematically the collection ranges across eras and literary genres as it emphasizes the intellectual significance of written work by key figures for example hildegard of bingen s visionary writings iris murdoch s fiction hannah arendt s historical narratives and the oral storytelling in black women s literary tradition the collection also brings to light the philosophical importance of little known work by such writers as mme de sabl and mme de condorcet this wide ranging collection offers non philosophers an introduction to women s thought but also promises to engage advanced students of philosophy with new research on unrecognized contributions author note cecile t tougas formerly an assistant professor of philosophy is a teacher of latin and algebra at ben franklin academy in atlanta sara ebenreck is assistant professor of philosophy at st mary s college of maryland

there has been a marked revival of interest among philosophers in the topic of friendship this collection of fifteen essays presents an admirable range of the diverse contemporary approaches to friendship within philosophy the book is divided into three sections the first centers on the nature of friendship the difference between friendship and other personal loves and the importance of friendship in the individual s life the second section discusses the moral significance of friendship and the response of various ethical theories and theorists aristotelian christian kantian and consequentialist to the phenomenon of friendship the last section deals with the importance of personal and civic friendship in a good society badhwar s introduction is a comprehensive critical discussion of the issues raised by the essays it relates them to each other as well as to historical and contemporary discussions not included in the anthology thus providing the reader with an integrated overview of the essays and their place in the larger philosophical picture contributors robert m adams julia annas neera kapur badhwar marcia baron lawrence blum nathaniel branden john m cooper marilyn friedman c s lewis h j paton peter railton amelie o rorty mary lyndon shanley nancy sherman michael stocker laurence thomas
