this handbook brings together a number of established scholars as well as younger scholars on the rise to provide a scholarly overview rich with bibliographic resources to those interested in the bible s role in american cultural formation

together with a list of auxiliary and cooperating societies their officers and other data

god is all there is and the devil does not exist seeks to bring about awareness and remind us of who we really are for god is all there is and there is no thing else there is only one consciousness that has individuated it self and thusly there is no devil in absolute form as is taught and projected by many all that is existed in a state of being without the means to express its being in a state of being god is no thing unto himself out of this conceptual knowing god all that is longed to express explore and experience it self for what it knows it self to be and so the no thing created some thing some form all of creation as a means or device s through which it can express explore and experience it self fully and abundantly we live in a world driven by fear scarcity competition chaos pain struggle confusion and discord it is my firm conviction that all these factors have been born and taken root because we have forgotten who we really are god is all there is and the devil does not exist is directed to all the men and women around the globe who are entangled in shackles of fear constructed by mythical beliefs and teachings about god and the mock devil which have been served to us for eons the message i bring seeks to liberate and unchain us from these restraints so that we can live freely and express explore and experience that which is within more

fully and abundantly
